The TYR Tactical® EPIC™ Low Vis Carrier - Female fits the soft armor from Female Enhanced PICO Integrated Carrier – EPIC™. The carrier is designed to minimize bunching in various positions while providing comfort and decreased shifting.

It’s engineered utilizing our revolutionary PV® material which offers significant weight reduction with increased resistance to abrasion. PV® has been tested to have 7-10 times higher abrasion resistance than standard mil spec nylon. PV® also enhances the ballistic attributes of armor within the vest. Antimicrobial/FR treated padded spacer mesh is used internally for comfort.
