MEDICAL WAIST PACK

The HURON™ Medical Waist Pack was designed with direct feedback from SF Medics. The interior includes a zippered mesh pouch; a slot pocket on the body side with an attached stretch mesh pouch.

- It is engineered utilizing our revolutionary patented PV® material which offers significant weight reduction with increased resistance to abrasion. PV® has been tested to have 7-10 times higher abrasion resistance than standard mil spec nylon.

- MultiCam® PV® simultaneously enhances the overall abrasion resistance, while integrating the added benefit of fire resistance capabilities.
