**Revere K9™ 6’ Lead – 3/4” Biothaneis**

Revere K9™ 6’ Lead – 3/4” Biothaneis the next generation of K9 leads. Constructed of 5/8” PVC coated nylon, the lead will hold up in any environment. It is an outstanding alternative to leather leads. The lead is waterproof, mildew-proof, and rot-proof. It is unaffected by heat up to 300° and will remain pliable down to -20°. The snap is solid brass with a Cerakote™ finish.
