MOLLE MICRO IFAK CUT-A-WAY

The TYR Tactical® MOLLE Micro IFAK Cut-A-Way attaches upright with MOLLE and carries a range of medical items. Features a quick release buckle strap and cinch to secure the contents from falling out during operations. The IFAK has an internal platform with hook so that it can be attached to the front of the carrier for immediate access without having to remove the pouch from your MOLLE. The internal platform is attached to a flex cord to prevent dropping or misplacement.

- It is engineered utilizing our revolutionary patented PV® material which offers significant weight reduction with increased resistance to abrasion. PV® has been tested to have 7-10 times higher abrasion resistance than standard mil spec nylon.

- MultiCam® PV® simultaneously enhances the overall abrasion resistance, while integrating the added benefit of fire resistance capabilities.

Wt: 4.96 oz.
Dim: 7.5” H x 3” W x 2.5” D
