The TYR Tactical® EPIC™ Low Profile Shoulders Foam are available in two different styles depending on the shoulder strap width of your carrier.

**Style 1** accommodates plate carriers with 1.5” shoulder straps

**Style 2** accommodates plate carriers with 2” shoulder straps

- Crescent Shape
- Provides additional comfort and distributes weight
- Include a framework to aid in the structure and overall customization for the end user by molding to the shoulder shape after several uses
- The Shoulder facing side of the Low Profile shoulder includes a four-way stretch, water-resistant material that wicks moisture away from the body reducing chaffing and heat accumulation
- Available in Male and Female

**Male Size:** Small/Medium & Large/XLarge

**Female Size:** XS/Medium & Large/XLarge
